

PsychConsult[®] Provider Bed and Census Management

Coordinating for Inpatient, Residential Facilities, Partial, and Day Treatment

Managing admissions, beds, consumer discharges and other census-related activity is essential for optimizing your clinical and financial operations. With PsychConsult, organizations can capture details associated with a consumer's admission through discharge, while optimizing staff productivity and efficiently managing your census.

- ▶ Access real-time census information, including total capacity, open beds and percentage of occupancy.
- ▶ View units, rooms and beds that follow an organization's physical layout.
- ▶ Schedule admissions, discharges, bed changes and transfers.
- ▶ Utilize on-leave status, including bed hold and appropriate billing.
- ▶ Notify staff of tasks required for ADT activity.
- ▶ Assign treatment team members.
- ▶ Create daily room charges automatically.
- ▶ Document details of units' service activity.
- ▶ Perform and view unit-specific work tasks.
- ▶ Access existing clinical documents.
- ▶ Manage and create notes, including observation and shift notes.
- ▶ Create dynamic groups for consumers on the unit utilizing automated progress notes.
